TLIB0011 Undertake general site maintenance

Release: 1

TLIB0011 Undertake general site maintenance

Modification History

Release 1. This is the first release of this unit of competency in the TLI Transport and Logistics Training Package.

Application

This unit involves the skills and knowledge required to undertake general site maintenance.

It includes preparing for work, conducting site housekeeping functions, applying pest and vegetation control measures, and completing all work requirements.

Work is performed under minimal supervision, generally within a team environment.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Pre-requisite Unit

Not applicable.

Competency Field

B – Equipment Checking and Maintenance

Unit Sector

Not applicable.

Elements and Performance Criteria

ELEMENTS	PERFORMANCE CRITERIA
Elements describe the essential outcomes.	Performance criteria describe the performance needed to demonstrate achievement of the element.
1 Prepare for work	1.1 Received planned preventative maintenance schedule and work orders, including drawings, sketches and material lists, are reviewed, understood and confirmed by site inspection
	1.2 Liaison and communication issues with relevant site personnel are resolved prior to commencing work

- | | | |
