TLISS00155 Road Safety Skill Set

Release 2

TLISS00155 Road Safety Skill Set

Modification History

Release 2. This is the second release of this Skill Set in the TLI Transport and Logistics Training Package. The Skill Set has been updated with two superseded but equivalent units:

- TLIF0011 Identify interactions with other road users
- TLIF0010 Identify factors to reduce road harm

Release 1. New Skill Set.

This Skill Set replaces and is equivalent to the TLISS00046 Road Safety Skill Set.

Description

This Skill Set is for individuals who are new to driving on roads. It is a basic introduction to road safety for those interacting with other road users. This Skill Set may support other road safety or road use programs.

It is also designed to assist Year 10 through to Year 12 students as a framework for a structured road safety learning program.

Pathways Information

This TLISS00155 Road Safety Skill Set is part of the TLI Transport and Logistics Training Package and may be used to support new road uses and road safety qualifications.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this Skill Set at the time of publication.

Skill Set Requirements

A total of **6 units** of competency must be attained.

TLIF0011	Identify interactions with other road users
TLIF0010	Identify factors to reduce road harm
TLIF0077	Demonstrate knowledge of risk factors and consequences in interacting with other road users
TLIF0078	Recognise motor vehicle road crash risks and post-crash

actions

TLIF0079 Select a safe vehicle

TLIF2010 Apply fatigue management strategies

Target Group

This Skill Set is intended for use by Year 10 through to Year 12 students to equip them with a broader knowledge of the underpinning concepts of road use and road safety.

Suggested words for Statement of Attainment

This TLISS00155 Road Safety Skill Set from the TLI Transport and Logistics Training Package meets the industry requirements for individuals who need to understand road safety and road use.
