TLIL3207B Implement equal employment equity strategies

Release: 1

TLIL3207B Implement equal employment equity strategies

Modification History

Not applicable.

Unit Descriptor

This unit involves the skills and knowledge required to implement equal employment equity strategies in accordance with regulatory and workplace requirements, including identifying and communicating agreed employment equity direction, responding to enquiries regarding employment equity, implementing employment equity strategies, contributing to policy development, and evaluating and reporting on the implementation of equal employment opportunity strategies in the workplace.

Application of the Unit

Work must be carried out in compliance with the regulatory and workplace requirements relevant to the implementation of equal employment equity strategies in the workplace. Work is performed individually, but the ability to work within a team environment may be required.

Work involves the application of workplace procedures and relevant regulatory requirements to the implementation of equal employment equity strategies as part of work activities in the rail transport and/or allied industries.

Licensing/Regulatory Information

Not applicable.

Pre-Requisites

Not applicable.

Employability Skills Information

The required outcomes described in this unit of competency contain applicable facets of Employability Skills. The Employability Skills Summary of the qualification in which this competency is packaged will assist in identifying employability skill requirements.

Elements and Performance Criteria Pre-Content

Elements describe the essential outcomes of a unit of competency.

Performance criteria describe the required performance needed to demonstrate achievement of the element. Assessment of performance is to be consistent with the evidence guide.

Elements and Performance Criteria

Elements and Performance Criteria

Element	Performance Criteria
1 Identify and communicate agreed employment equity direction	1.1 Employment equity information and policy requirements are identified for the workplace 1.2 Employment equity information is disseminated to ensure relevant requirements are considered in decisions made within the workplace 1.3 Advice is provided to assist with consistent interpretation of employment equity information 1.4 Negotiations are undertaken with management to ensure equity principles are incorporated throughout the workplace 1.5 Interpretation and advice are provided on legislative requirements, workplace objectives and constraints, and human resource management practices
2 Respond to enquiries regarding employment equity	2.1 Arrangements are made to ensure advice on employment equity can be provided to personnel within necessary timeframes 2.2 Enquiries are analysed to identify necessary information required to respond sufficiently 2.3 Sources of information are identified and accessed to formulate response 2.4 Responses are communicated clearly and appropriately and understanding of the response is checked
3 Implement employment equity strategies	3.1 Strategies are developed to implement policies and objectives 3.2 Measures are identified which reflect the success of

strategies developed and suitable data collected

4 Contribute to policy development

- 4.1 Consultation is regularly undertaken with stakeholders on policy development
- 4.2 Advice is provided concerning the employment equity implications of policy

5 Evaluate and report

- 5.1 Data used to measure employment equity policy performance is collected and statistically analysed
- 5.2 Annual and other reports are produced on employment equity policy performance
- 5.3 Results of employment equity strategies and performances are conveyed in a timely and appropriate way to relevant individuals and groups

Required Skills and Knowledge

REQUIRED KNOWLEDGE AND SKILLS

This describes the essential knowledge and skills and their level required for this unit.

Required knowledge:

Regulations relevant to equal employment equity

Relevant OH&S and environmental protection procedures and guidelines

Workplace procedures and policies for the implementation of equal employment equity strategies

Focus of operation of work systems, equipment, management and site operating systems for the implementation of equal employment equity strategies

Evidence Guide

The evidence guide provides advice on assessment and must be read in conjunction with the performance criteria, required knowledge and skills, the range statement and the assessment guidelines for this Training Package.

Critical aspects for assessment and evidence required to demonstrate competency in this unit

The evidence required to demonstrate competency in this unit must be relevant to and satisfy all of the requirements of the elements and performance criteria of this unit and include demonstration of applying:

the underpinning knowledge and skills

relevant legislation and workplace procedures

other relevant aspects of the range statement

Context of and specific resources for assessment

Performance is demonstrated consistently over a period of time and in a suitable range of contexts

Resources for assessment include:

a range of relevant exercises, case studies and other simulated practical and knowledge assessment, and/or

access to an appropriate range of relevant operational situations in the workplace

In both real and simulated environments, access is required to:

relevant and appropriate materials and/or equipment, and/or

applicable documentation including workplace procedures, regulations, codes of practice and operation manuals

Method of assessment

Assessment of this unit must be undertaken by a registered training organisation

As a minimum, assessment of knowledge must be conducted through appropriate written/oral tests

Practical assessment must occur:

through appropriately simulated activities at the registered training organisation, and/or

in an appropriate range of situations in the workplace

Range Statement

RANGE STATEMENT

The range statement relates to the unit of competency as a whole. It allows for different work environments and situations that may affect performance.

Work may be conducted:	in a range of work environments by day or night
Workplaces may comprise:	large, medium or small worksites
Recording mechanisms/systems may include:	paper-based systems electronic systems
Work organisation procedures and practices may include:	security procedures payroll systems industrial relations policies and agreements superannuation procedures dispatching and collecting procedures employment policies
